In view of the long distance from the town to the Lock-up, the grant of an allowance on the scale suggested by the I.G.P. seems to be reasonable. To
Mothamed-ul-mulk
M.G. Mehkri, Esq., B.A., LL.B.,
Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

I have the honour to state that the Sub-Jail at Seringapatam has accommodation only for 74 prisoners and at present there are 82 political and under-trial prisoners. There is no room for any extra under-trial prisoners. Besides, it is expected, that nearly 20 prisoners would be remanded to the Jail custody shortly, in connection with the offences committed in the recent political disturbances. I request, therefore, immediate orders of Government to permit the occupation of the new Lock-Up buildings at Mandya and to direct the Executive Engineer, Mandya Division, to carry out the necessary items of work to accommodate 50 prisoners at once in the Lock-Up buildings at Mandya.

As regards the watch and ward establishment required, I enclose herein a copy of the letter addressed to the Inspector General of Prisons in Mysore, Bangalore, for favour of perusal and sanction. Pending the posting of such staff, if approved, I shall direct the District Superintendent of Police, Mandya, to depute one Daffedar and six Police Constables. The Sub-Registrar in charge of the present Lock-Up at Mandya, will however, continue to be the Lock-Up Officer of New Lock-Up also for the time being.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mandya District.

Letter No. J2.L.C. 40/41-42 dated 1st July 1942 from the Deputy Commissioner, Mandya District, Mandya, to the Inspector General of Prisons in Mysore, Bangalore.

---

Subject:- Appointment of the District Medical Officer as the Officer in charge of the District Lock-Up at Mandya and also its necessary establishment.

---

I have the honour to state that the Executive Engineer, Mandya Division, Mandya, writes in his letter No. 3099 dated 29th June 1942 that all the works of the District Lock-up Building are completed and requests to take over charge of the building during the first week of July 1942.

I, therefore, request that sanction may kindly be accorded very early to appoint the District Medical Officer, Mandya, as the Officer in charge of the District Lock-Up, since the Executive charge of Lock-Up will have to be vested in the District Medical Officer of the place as in case of other District Lock-Ups.

The appointment of necessary warden establishment* (* detailed in the margin) and other establishment of the District Lock-Up as already stated in my letter No. L.C. 1/39-40 dated 26th September 1939 may also be kindly sanctioned early.

Dr. V.V. Monteiro, M.B., B.S., F.R.F.P.S.(Glas.), L.D.S.(Eng.),
Inspector General of Prisons in Mysore,
Bangalore.

Sir,

I have the honour to state that the Lock-Up Officer, Seringapatam, came in person this morning and told me that want of accommodation was keenly felt in the Lock-Up at Seringapatam - now converted into a Sub-Jail - which has accommodation only for 71 prisoners. The total number of prisoners including the political detenuees in the Sub-Jail at Seringapatam is 70 and the Lock-Up Officer, Sub-Jail, Seringapatam, wired and wrote to the Jail Superintendent, Central Jail, Bangalore, not to send any more political detenuees from the Bangalore Central Jail, as a fresh batch of 12 political detenuees was sent on the 18th September 1942, thus making the total number 82 - 64 political and 18 under-trial prisoners. He further stated that another batch was expected on the 19th instant but it is presumed that in view of the telegram sent by him, no more prisoners would be sent.

The trouble that is being experienced now in the Sub-Jail at Seringapatam is, that both the undertrial prisoners and the political detenuees are in the same premises without separate demarcation. The ordinary under-trial prisoners are protesting to take meals and to have other conveniences afforded to them ccording to the provisions of the Mysore Jail rules and they lso want to be given to them the same comforts as the political etenuees are given. In order to avoid this difficulty, I have nstructed the District Superintendent of Police, Mandya, to lace two cells in the Police Station at Seringapatam at the

at the disposal of the Lock-Up Officer, Seringapatam, so that the under-trial prisoners may be lodged there and I have also directed the Lock-Up Officer, Seringapatam, to transfer three under-trial prisoners to Mandya Lock-Up, where the total strength of 15 would be reached. There is now no accommodation available for further under-trial prisoners, who may be remanded by the local Magistrates.

The only way this question of accommodation could be solved appears to me is to make the Mandya Jail buildings come into existence immediately for the purpose of transferring political under-trial prisoners and keeping only the political detenuees at Seringapatam Sub-Jail. No further political detenuees can be lodged in Seringapatam Sub-Jail as it has reached its maximum capacity.

I invite your ~~xxxx~~ reference to this office letter No. J2.L.C. 40/41-42 dated 1st July 1942 (Copy enclosed for ready reference) and request you to obtain immediate orders of Government for the sanction of necessary watch and ward establishment to Mandya Lock-Up, as stated in the said letter referred to above.

I have the honour to be,
Sir,
Your most obedient servant,

In confirming the marginally noted telegram sent to you this morning, I ~~xxx~~ write to request you to depute immediately the Warders necessary for the newly constructed District Lock-Up at Mandya. The number of undertrials in this District is increasing and it is absolutely necessary to detain them in the new Lock-Up. Water facilities will be given to the building by about this evening and bamboo mats have been put up where the compound had fallen down. It is understood that the installation of electric lights will take some more time and I am asking the local Lock-Up Officer to purchase about 6 Hurricane Lanterns for immediate use till the electric lights are installed.

" PLEASE DEPUTE WARDER ESTABLISHMENT MANDYA DISTRICT LOCK-UP IMMEDIATELY "

Pending the receipt of orders of Government regarding the appointment of a District Lock-Up Officer, I have asked the Local Sub-Registrar, who is in charge of the Lock-Up to remain in charge of the new Lock-Up also. As the necessary cooking utensils have not yet been received, arrangements have to be made to supply meals to the prisoners from a Hotel. Mr. U.P. Dasappa, Proprietor of the Bus Stand Hotel, Mandya, has agreed

agreed to supply two meals per day at As. 7/- per head and as the rates appear to be reasonable, this offer will be accepted.

I request that necessary linen and other utensils may also be supplied at a very early date, as many of the prisoners will have to be supplied with jail clothing.
